WHY CHOOSE FEAR?

Quite simply, we know how to have a good time!

Surviving **FEAR Scream Park** together makes an unforgettable night of entertainment and the perfect group activity. Nothing bonds a team more than helping each other to banish the devil in an exorcism, or escape the clutches of an alien entity, who is hell-bent on revenge!

And no one else does it like us; we've got the awards to prove it...

FEAR Scream Park never fails to impress!
